Part 1.1

- Please tell me about your home town or city
- How do you relax in the evening?
- Do you have a large family?

Part 1.2

- What do you see in these pictures?
- What would it be like to work on these two farms?
- Which method of farming is better for the community?

Part 2

- Tell me about a book that is important to you.
- How has this book helped you?
- Do you think computers will replace books in the future?

Part 3

Old buildings should be replaced with modern ones	
FOR • Modern buildings are environmentally friendly • They can be used as a working office or an accommodation • They can use less energy and produce less waste	**AGAINST** • Historic buildings are a part of the country • Old buildings are often considered to be works of art • They show how people lived in the past
