

# Rome

Редактировать в WPS Office

Rome is in Lazio, in the center of Italy.

It's a big metropolis, the largest and the most populous in Italy.

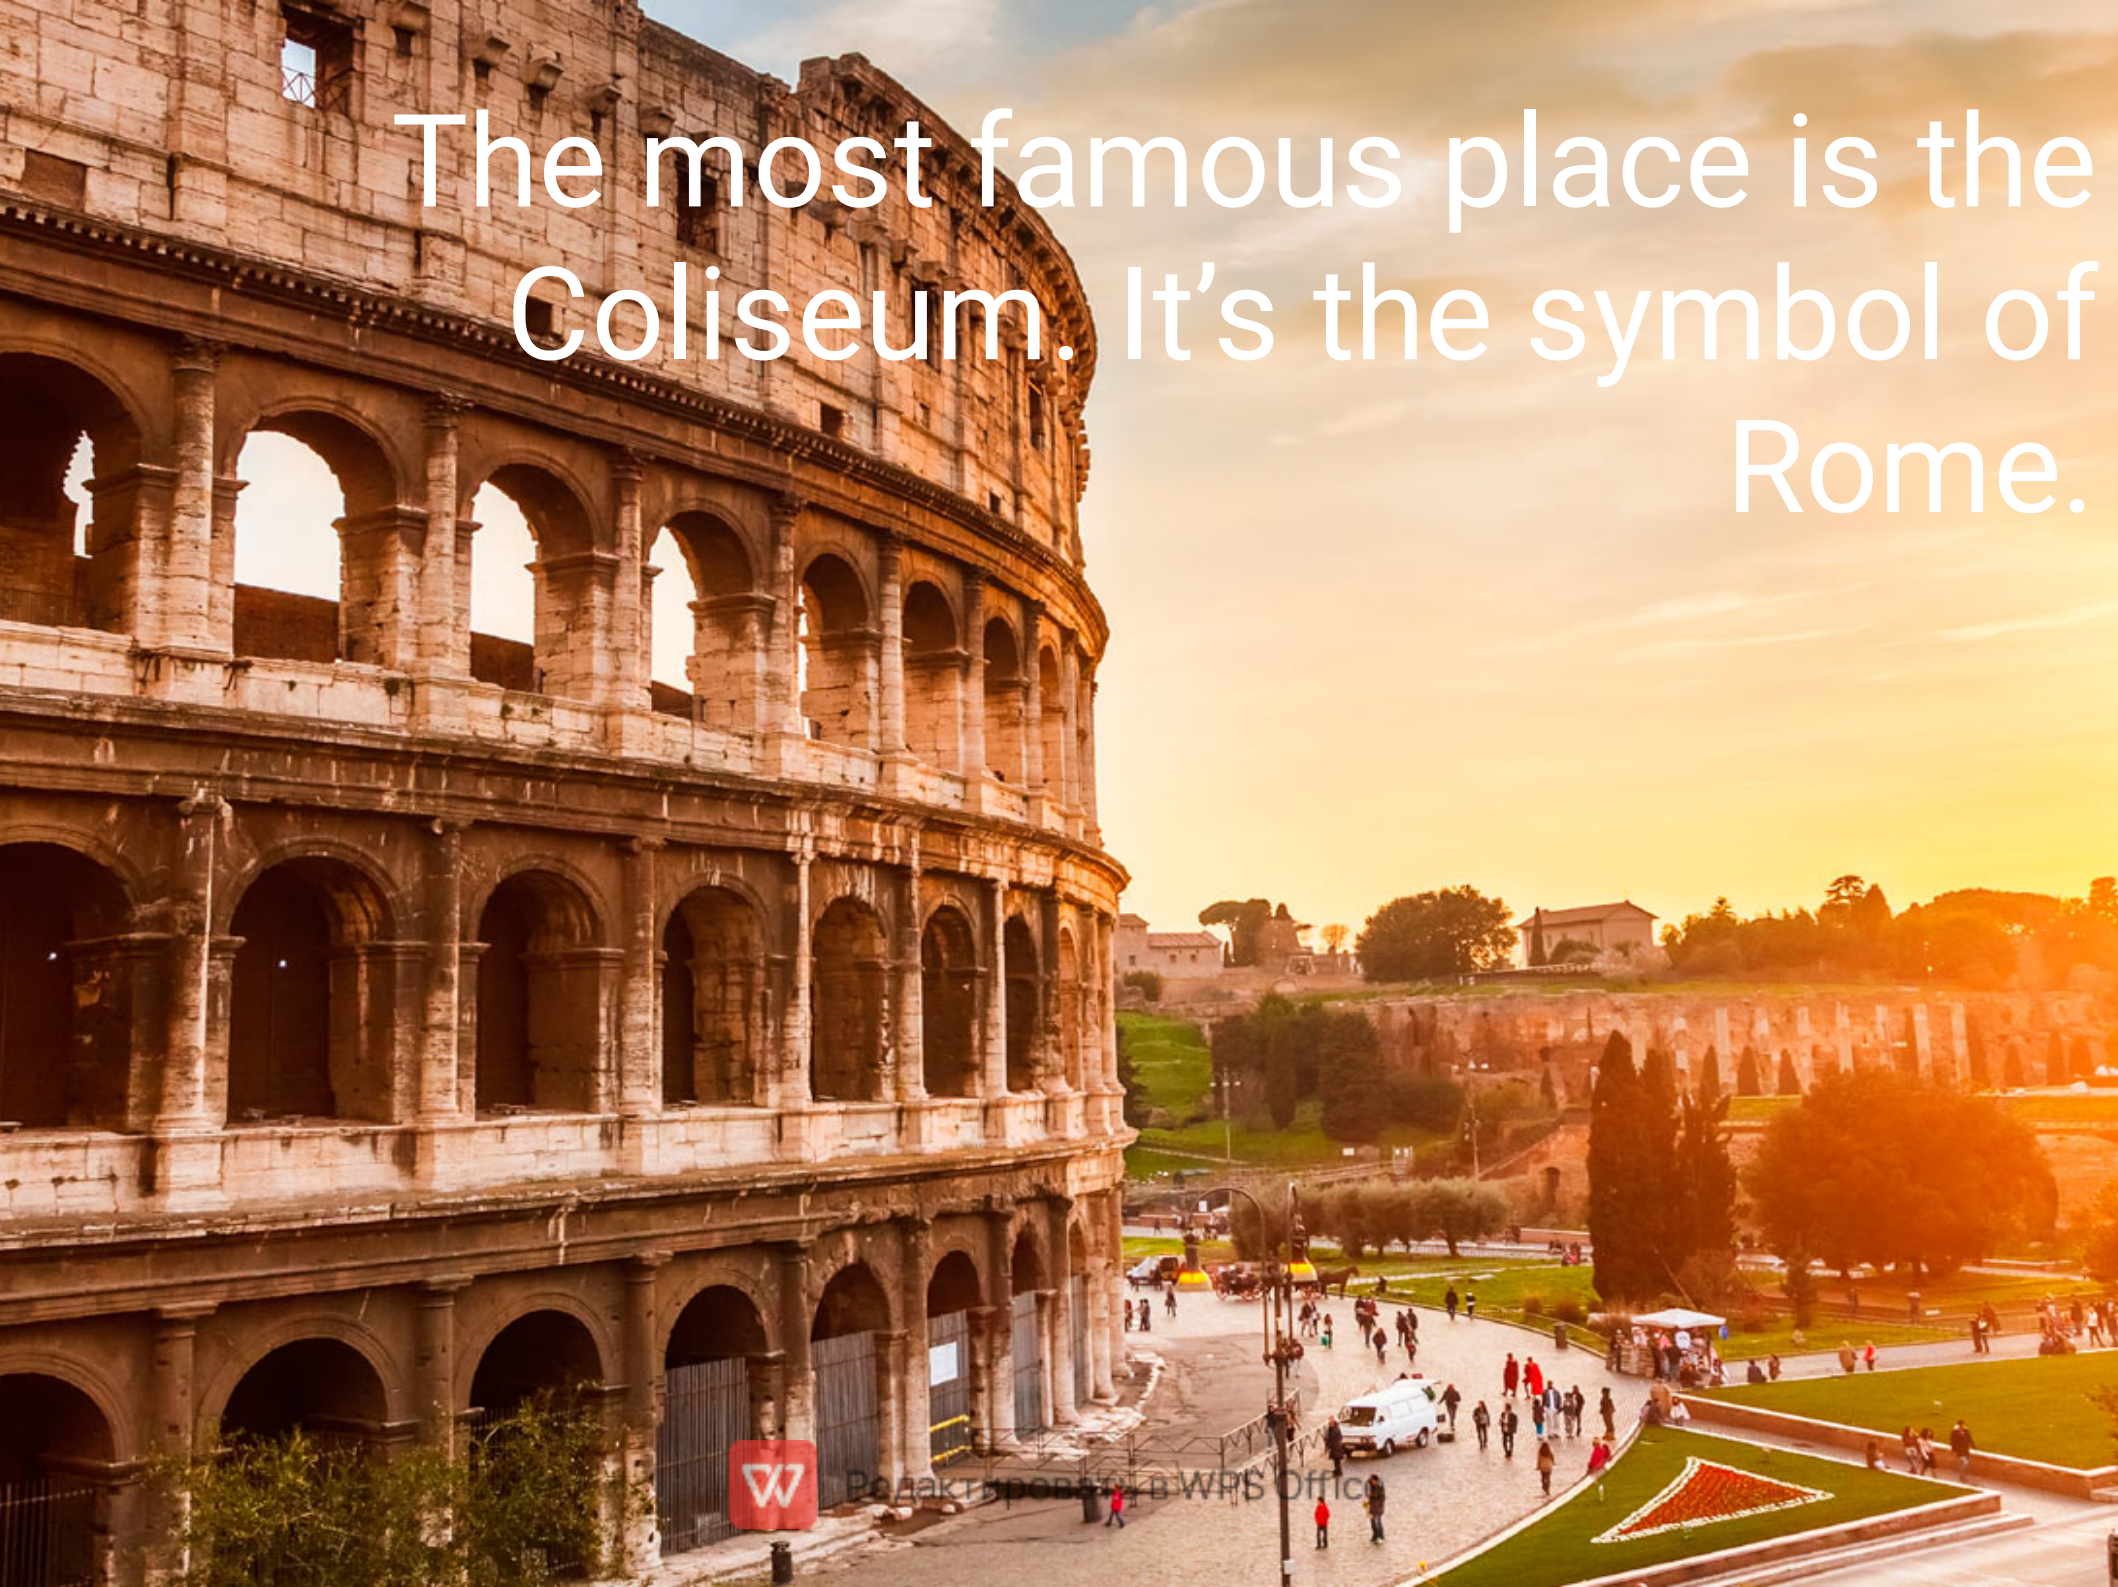

The oldest monument is Circus Maximus, an ancient Roman circus dedicated to horse racing, remembered as the site of

 games.

The most famous place is the  
Coliseum. It's the symbol of  
Rome.

The most interesting area  
is the town center.

Because there are many monuments to visit like the Arch of Constantine, Trevi fountain and the Imperial Forums and there are also many shops for shopping.

Young people go to eat to McDonald's, BurgerKing, Old Wild West or other fast food but they aren't healthy, so you can go to eat better in the restaurants in the center.

Via del Corso is the most popular shopping street, there are many famous shops like Guess, Diesel, Nike and Disney Store. But there are other famous places and shopping centers .

Teenagers like going to FootLocker, H&M, Vans or Converse Store, OVS, Tezenis and many other clothing stores.

Many young people like to go to the disco. There are many discos in Rome, like Brancalone or Alien, where you can see a lot of concerts and you have fun with your friends. They also like go to the centre where you can do shopping there or go to place like Ponte Milvio, young lovers go to there to attach their locks . And they go to eat to fast food because there are American food and young people like it.
